

You've **BEEN** **ELFED!**

A little elf has come to town, leaving holiday goodies which you have found!

Hope you would like to spread some good cheer, continuing this greeting until Christmas is here.

Now post this 'WE'VE **BEEN** **ELFED**' sign on your door, and within two days make two more copies. Put together some festive treats. Secretly deliver to other neighbors that have yet to be Elfed. Just leave your treat, and then dash! You don't want to be caught, so be fast! Another Christmas tradition has just begun. So, thanks for sharing in the Christmas fun!

Merry Christmas!

We've

BEEN **ELFED!**
